INDEX–VOLUME 59

Editor's note: The following is an index of proper names and of those subject entries of relevance to American Presbyterian and Reformed church history. Local churches are listed under city place name. National church judicatories and agencies are presented under the names of the denominations. Unless otherwise indicated, synods and presbyteries are of the Presbyterian Church in the U.S.A., or the United Presbyterian Church in the U.S.A. References to Old and New School General Assemblies and their boards and agencies are interfiled with other Presbyterian Church, U.S.A. entries. The Index was compiled by Gerald W. Gillette, and typed by Mary H. Plummer.
